Environmental Sustainability

Ecosse Limited

Bermudiana Arcade, 27 Queen Street - HM 11 Hamilton - Bermuda

We operate in a manner that seeks to minimize environmental impact and ensures an eco-friendly workplace. We act in compliance with relevant legislation and do our best to use good environmental practices in all our activities.

We shall

- 1 Consider environmental aspects and impacts in all our activities and decision making processes.
- 2 Promote environmental awareness, educate colleagues and employees and encourage them to work in a responsible manner.
- 3 Reduce waste through reuse and recycling and by purchasing recycled, recyclable or refurbished products / materials, where these alternatives are economical and suitable.
- 4 Promote efficient use of materials and resources in our premises including water, energy and others, particularly those that are non-renewable.
- 5 Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect health and environment.
- 6 Purchase and use eco-friendly products.
- 7 Communicate our commitment to partners, stakeholders, our supply chain and society and encourage them to support and follow it.
- 8 Strive to continually improve environmental performance by periodically reviewing and updating our own guidelines in light technological and other progressive developments.
